Things you will need to know when you request your plate

FOR A REMAKE - Due to plates being lost, destroyed, damaged or stolen. A transaction fee will be advised at the time of remake.

The following criteria must be met before the order to manufacture a new set of Personalised Plates can be accepted:

- The applicant must be the person registered in respect of the vehicle. If the applicant wishes the plates to go on a vehicle that is not registered in their name then they must complete a transfer of entitlement to the registered person.
- The vehicle must be currently registered and licensed, or about to be registered.

- The applicant must provide the plate number of the vehicle that the Personalised Plate will be attached to.

If the vehicle is not yet registered in New Zealand, then they must provide the VIN/Chassis number of the vehicle, and include documentation with this application to prove that they have recently purchased the vehicle (for example, sales and purchase agreement, import order). When the vehicle is ready to be registered, you must take the personalised plates into a plate agent and complete the relevant transactions (eg Application to register motor vehicle MR2A), before they can be attached to a vehicle.

- If the vehicle was stolen with the Personalised Plates attached, the owner must notify the NZ Transport Agency on 0800 366 988.
